COURSE SYLLABUS

Premiere Pro in a Day

In this one-day Premiere course, we'll introduce you to Premiere Pro's interface and features. Through hands-on projects, you'll learn all of the skills necessary to add this powerful software to your design repertoire.

> Group classes (NYC) and onsite training are available for this course. For more information, email corporate@nobledesktop.com or visit: https://www.careercenters.com/courses/premiere-pro-training-nyc
