

Premiere Pro in a Day

In this one-day Premiere course, we'll introduce you to Premiere Pro's interface and features. Through hands-on projects, you'll learn all of the skills necessary to add this powerful software to your design repertoire.

Group classes in NYC and onsite training is available for this course. For more information, email corporate@nobledesktop.com or visit: <https://www.careercenters.com/courses/premiere-pro-training-nyc>
