

QuickBooks Online Level I

This class for those using the QuickBooks Online cloud-based version of the software concentrates on the most common topics that we see in NYC businesses. When you are finished with this class, you will be able to feel comfortable with the fundamentals of QuickBooks, such as how to set up a company, write checks, and enter invoices and payments. You will also understand general accounting procedures.

Group classes in NYC and onsite training is available for this course. For more information, email corporate@nobledesktop.com or visit: <https://www.careercenters.com/courses/quickbooks-online-level-1>
