

Microsoft PowerPoint Level II

Master PowerPoint's advanced features from slide masters to custom shows in this six-hour PowerPoint course. By the end of this course, you'll be able to create reusable slides, develop custom playlists of the same slideshow for unique audiences, and record presentations to deliver at a later time.

Group classes in NYC and onsite training is available for this course. For more information, email nyc@careercenters.com or visit: <https://www.careercenters.com/courses/advanced-powerpoint-classes>
